

In-Class Exercise 01, Part I - Icebreaker

Topics: GGC Wiki, D2L, Remind, Lynda.com

Objectives:

This assignment will introduce you to your neighbors.

Reminders:

- Please don't hesitate to call on the instructor if you need help. You are also welcome and encouraged to confer with your classmates if the instructor is busy helping somebody else.
- You are welcome to take breaks at your discretion while working on this assignment. However, you are not allowed to leave for the day until the class period has ended or you have completed the assignment and turned it in.

Please read each step carefully before completing it. Be sure to follow the rules of proper spelling, grammar, capitalization, and punctuation in your write-up.

Instructions:

1. Your neighbors will be excellent resources for help and support this semester. Please divide up into groups of 3 – 4 students, preferably with those sitting near you.
2. Each person in the group needs to take a turn answering the following questions while the rest of the group writes them down.
 - a. What is your first and last name? (Please use the name you prefer to be called.)
 - b. What is your major?
 - c. What is your favorite (pick one) book, movie or TV show?
 - d. What is one thing you hope to learn about digital media this semester?
 - e. Please share one interesting fact about yourself that you have not already mentioned.
3. Each person in the group should now share his or her email address—and, optionally, phone number—with the rest of the group. The rest of the group should write this information down. **Do not include this information in your Word document. This is for your personal reference to help you connect with others in the class.**
4. Return to your workstation. Download the **ICE01_Template** file if you haven't already. Open it and save it as **LastnameFirstname_ICE01** (ex. CuneoJoshua_ICE01).
5. Record the information each group member *other* than you gave in response to the questions in Step 2.
6. Ignore the rest of the template for today. (You'll finish it next class.) Save your Word document and submit it on D2L.
7. **Optional:** If you want to sign up for the Remind service, go to <https://www.remind.com/join/fa16it1028> and enter your mobile phone number.
8. When you're done, you are free to leave.
